Alex Best on ITV's This Morning

It may well be a dreadful photo but trust me that is Alex Best reclining in the main cabin of *Indulgence*! Wife of football legend George, Alex has now turned her hand to TV presenting and was found all of last week sampling the life style of the rich and famous for ITV's 'This Morning' up and down the country.

It therefore made perfect sense that in order to really put the strawberry in Alex's champagne that ITV approached us and asked if we could take her out for a ride on our Sunseeker in between her Knightsbridge shopping trips and stay at the exclusive Berkeley Hotel.

Alex had the time of her life for the few hours she was with us and despite the constant stream of demands from the director, Alex still found time to get a glass of champers in her hand and watch the sights of London go by in glorious sunshine.

Fern and Philip gave us our due credits and there can be no doubt now that a river cruise aboard *Indulgence* really is one of London's exclusives

David Blaine BBQ's on River

Alex's' husband is not the only one trying to spend his youth in a box. The illusionist David Blaine has been locked up in one for who cares how long now and will be out whenever he gets tired of trying to suck a Big Mac meal through a straw.

In the meantime why not show your support for David by having an end of Summer drinks party or BBQ floating right beneath him! We think he would be touched by the gesture and are offering fully catered early evening packages that will give you long enough to enjoy wonderful hospitality and thank your lucky stars that you weren't born with a talent like David's!

Packages start from £1,750 (no VAT)
